'middlegame book review the book blog life

May 18th, 2020 - the best bits of middlegame for me was the lore and the scientific knowledge that is interspersed all the way through this book i thought the way that this book managed to keep me so enthralled and attached to the characters and the suspense that was created by some of the characters'

'middlegame bookreporter

April 12th, 2020 - it is difficult to summarize a book like middlegame it is imaginatively conceived carefully

constructed fantastically written and offers such thoughtful insights on themes like love power sacrifice and intelligence roger and dodger are pelling and fully human as children and young adults navigating the world as often lonely prodigies'
