'the transformations of job in modern
german literature
April 5th, 2020 - in modern times
german authors have made ample use of
the job theme the study examines the
transformations that the story of job
has undergone in german narrative and
dramatic works from leopold von sacher
masoch s der neue hiob 1878 to fritz
zorn s mars 1977 the most striking
feature of these works lies in their
diverse characterization of the job
