Abstract The Charlie  
Hebdo terrorist attack  
was a blow to the  
French body politic In  
order to make sense of  
the unprecedented  
event and to reaffirm  
its faith in its secular  
republican institutions  
the rule of law freedom  
of expression and  
especially the right to  
caricature the French  
establishment sought  
refuge in its republican  
collective memory'
