denes striny'*

**'singing music britannica**

*June 2nd, 2020 - because this music expressed the  
significance or the moods of the text a great range of  
expression was required from the singers who in these  
polyphonic works assumed something of the function of a  
vocal orchestra the art of singing accordingly evolved to  
allow the singers the maximum power and variety of  
expression see also bel canto'*
