May 1st, 2020 - Mission
information protection A
recently reported high
profile case in the media and
the subsequent government and

public scrutiny around it has once again brought the prominence of enacting and enforcing data protection and privacy laws into light India also has been taking strides to protect data in this digital time and age'

'Privacy and Anonymity in the Age of Big Data CPO Magazine April 15th, 2020 - Under most privacy laws or data protection laws if you're not dealing with personal data

you're outside of the scope of the legislation However that line is no longer as clear as we might have thought it was historically'

'Beyond Consent Why New Approaches to Data Protection and

April 17th, 2020 - In this webinar CGAP explained why consumer consent is no longer effective The National Institute of Public Finance and Policy presented research

showing how even well
educated consumers in India
could not understand consent
documents and CGAP discussed
new approaches to data
protection and privacy'

*'Data protection why it
matters and how to protect it
April 30th, 2020 - Data
protection refers to the
practices safeguards and
binding rules put in place to
protect your personal
information and ensure that*

*you remain in control of it
In short you should be able
to decide whether or not you
want to share some
information who has access to
it for how long for what
reason and be able to modify
some of this'*

**'Privacy in the age of
pandemics Data Protection
Magazine**

April 29th, 2020 - We all
want to defeat Covid 19 But
how far should we go And what
about preparing for future

pandemics Do we need to
enlist Big Brother to support
us in this battle It appears
that in China the virus
spread is declining rapidly ?
just 67 new cases yesterday
26th March But there is a
price The price is almost a
plete erosion of privacy
Chinese authorities can trace
the movements of '**Information
privacy**

April 17th, 2020 -

**Information privacy is the
relationship between the**

collection and dissemination of data technology the public expectation of privacy legal and political issues surrounding them It is also known as data privacy or data protection Data privacy is a challenging since it attempts to use data while protecting an individual s privacy preferences and personally identifiable information'' Can personal data about children be collected European April 28th, 2020 - The age

threshold for obtaining parental consent is established by each EU Member State and can be between 13 and 16 years. Companies have to make reasonable efforts taking into consideration available technology to check that the consent given is truly in line with the law.

'OHCHR Special Rapporteur on Privacy

April 27th, 2020 - The
Special Rapporteur is
mandated by Human Rights
Council Resolution 28 16 a To
gather relevant information
including on international
and national frameworks
national practices and
experience to study trends
developments and challenges
in relation to the right to
privacy and to make
remendations to ensure its
promotion and 'Data
Protection in the Age of

Digitalization An

April 23rd, 2020 - In 2018 it will continue to be a subject which will exercise us intensively that is the debate on data protection and data security that has now been going on for years given that more and more information is being digitalized and traditional security concepts and measures are no longer fit for purpose'

'Privacy and Data Protection
in the age of COVID 19
April 29th, 2020 -
Governments and organisations
have taken measures to
mitigate the risks of COVID
19 that can be privacy
invasive Discover a few of
the fundamental questions and
considerations that arise on
the interplay between privacy
and data protection and the
protection of public
health' 'EU Data Protection
Rules Advance Privacy Human

Rights Watch

April 17th, 2020 - The new European Union General Data Protection Regulation GDPR will enhance privacy and should spur other countries to improve protection of people's personal information
Human Rights Watch'

'Age appropriate design a code of practice for online
April 29th, 2020 - In our own research conducted to inform the direction of the code we

heard children describing data practices as 'nosy', 'rude' and a 'bit freaky'. Our recent national survey into people's biggest data protection concerns ranked children's privacy second only to cyber

security.' **Innovation in the age of data protection** The Hindu

April 19th, 2020 - Innovation in the age of data protection there are different policies being developed around the

globe and they reflect the changing landscape around data protection and privacy'

'Privacy and data protection news help and research September 25th, 2019 - Read the latest stories about privacy and data protection and how they affect why data security compliance and privacy are useful tools for organizations in the digital age'

'Summary of privacy laws in Canada Office of the Privacy

*May 1st, 2020 - Revised
January 2018 There are
several laws in Canada that
relate to privacy rights
Enforcement of these laws is
handled by various government
organizations and agencies
Several factors determine
which laws apply and who
oversees them'* **Privacy Policy
for Kahoot**

**April 30th, 2020 - Please
note that the host using
Player Identifier feature is
the data controller of all**

personal data provided by the players in the host's Kahoot and therefore responsible for ensuring that such personal data is lawfully collected and processed in accordance with applicable legislation'

*'Age UK London Privacy policy
