week or following days'

'28 BASIC KITCHEN SAFETY TIPS

December 22nd, 2019 - A part of good kitchen organization is planning and
preparing for kitchen safety This page will provide general basic safety
information I hope these kitchen safety tips will be useful I'm providing
links below to other kitchen safety tips food preparation appliances etc I
want to keep you and your family safe in the kitchen''**99 Food Photography
Tips From Photographers That ll Blow**

December 26th, 2019 - Food photography is a natural subject so usually the
aim is to try and keep things looking natural There?s only one sun in nature
so one main light just makes sense This light sets the atmosphere for your
shot If it is low it might feel like early morning or late afternoon ?
higher up is brighter and less atmospheric'

'Wartime How to be the hero of your own kitchen

November 27th, 2019 - Very often we read that during wartime specifically WWII and the following recovery period nutrition of the overall population had not only good standards compared to our modern diets but it is actually considered that the generation that was brought up under such harsh conditions had indeed less nutritional deficiencies'
