'the book of disquiet books the book bug

June 2nd, 2020 - the book of disquiet is one of the great literary works of the twentieth century written over the course of fernando pessoa s life it was first published in 1982 pieced together from the thousands of individual manuscript pages left behind by pessoa after his death in 1935 now this

fragmentary modernist masterpiece appears in a major new edition that unites margaret jull costa s celebrated'
