June 6th, 2020 - netflix has about 167 million paying customers globally it has disrupted the television programming model and to a growing extent is doing the same to the cable industry'

*'the disruption of cable television has arrived buyside notes
June 4th, 2020 - let me begin with a basic premise viewable
content is viewable content irrespective of the form it doesn't
matter if you're watching a broadcast tv show a video or a
movie on demand all of these are just different forms of the
exact same thing so why then do we have to access them
differently"*
