International Journal of Biomaterials
Hindawi

December 20th, 2015 - International Journal
of Biomaterials is a peer reviewed Open
Access journal that publishes original
research articles as well as review articles
on the theory design engineering fabrication
and implementation of devices for

therapeutic or diagnostic use in biological systems'

'CDSS RM a clinical decision support system reference

December 24th, 2019 - Clinical Decision Support Systems CDSS provide aid in clinical decision making and therefore need to take into consideration human data interactions and cognitive functions of clinical decision makers The objective of this paper is to introduce a high level reference model that is intended to be used as a foundation to design successful'

'Deep learning in neural networks An overview ScienceDirect

December 26th, 2019 - The present survey however will focus on the narrower but now commercially important subfield of Deep Learning DL in Artificial Neural Networks NNs A standard neural network NN consists of many simple connected processors called neurons each producing a sequence of real valued activations'
