**udk interactive audio environment  
preview google docs**

March 7th, 2020 - since the advent  
of in game audio game developers  
always sought out greater sound  
immersion using various techniques  
to recreate 3d sound spatialization  
using 2 speakers or headphones over  
time new techniques and tools have  
bee available however there s lack  
of study that consolidates and  
applies them within the udk''**the
