### 'What s the difference between Dofus and Wakfu WAKFU

April 25th, 2020 - Wakfu is set to be centuries after Dofus which is something I think Ankama should explore to it s maximum if Wakfu ever turns out to be too similar to Dofus they still have a different Lore and that alone is a good excuse for another game not destroying Dofus universe to make people play the future but make a game set in the future'
