fighting fantasy 10

by steve jackson

May 17th, 2020 - i
loved these fighting
fantasy gamebooks as
a kid but house of
hell was something
slightly different
not a fantasy book
but a horror one
needless to say at
the age of 12 playing
this in my darkened
bedroom i was
extremely frightened
i can still remember
the adventure
unfolding before me
the car accident the

rain entering the
house' '**house of hell**
