wonder woman the plete history by les daniels

May 2nd, 2020 - jill lepore s the secret history of wonder woman got a lot of buzz lately but it s important to note that les daniels s wonder woman the plete history did it first 2000 and arguably better instead of focusing on the man behind the woman as lepore does daniels keeps princess diana and her story front and center tracing the development of the character through the decades'
