'a model of venture capitalist investment activity
June 6th, 2020 - the paper describes the activities of venture
capitalists as an orderly process involving five sequential steps
these are 1 deal origination the processes by which deals enter
into consideration as investment prospects 2 deal screening a
delineation of key policy variables which delimit investment
prospects to a manageable few for in depth evaluation 3 deal
evaluation the'

'postmodernism

*May 31st, 2020 - postmodernism is a broad movement that developed
in the mid to late 20th century across philosophy the arts architecture
and criticism marking a departure from modernism the term has been
more generally applied to describe a historical era said to follow after
modernity and the tendencies of this era postmodernism is generally
defined by an attitude of skepticism irony or rejection'*

**'a vsa ss approach to healthcare service systems the triple
April 29th, 2020 - the main purpose of this paper is to highlight
the new opportunities that the viable systems approach vsa can
provide for observing plex service systems and explaining social
phenomena through general schemes of interpretation at the
same time it explores methodological links with the service
science ss approach in order to propose vsa s contribution to
moulding a unified vision of'**
