'first edition identification by publisher ilab

May 21st, 2020 - in the case of titles published before 1900 the key to first edition identification is often the date on the title page the vast majority of first editions published before 1900 had the year

of publication on the title page this is true for fiction and non fiction titles the presence of a date on the title page alone may identify books published prior to the mid 1800s as first editions
