April 15th, 2020 - netgalley is a site where book reviewers and other professional readers can read books before they are published in e galley or digital galley form members register for free and can request review copies or be invited to review by the publisher' **3 must read resources for going gluten free health habits**

May 10th, 2020 - could there be a benefit to going gluten free even if you don't have celiac disease, gluten sensitivity, or a gluten allergy? For more than three million Americans, the answer is a resounding yes. In a recent poll presented by Scientific American, almost one-third of Americans are keen on ditching gluten." **wheat toxic staple**

May 26th, 2020 - testing information to discuss with your doctor. In Toxic Staple chapters 16 and 17 will very likely help you and your doctor detect sensitivity to gluten if it exists. The one blood test generally offered is too often not enough testing unless you have full-blown celiac disease or are close to the end of the road'
