**'the dehumanization of art and other essays on art culture**

May 28th, 2020 - no work of philosopher and essayist José Ortega y Gasset has been more frequently cited, admired, or criticized than his response to modernism, the dehumanization of art. The essay, originally published in Spanish in 1925, grappled with the newness of nonrepresentational art and sought to make it more understandable to the public.
