the radical lives of  
helen keller the  
history of  
June 2nd, 2020 - the  
radical lives of helen  
keller renders three  
dimensional perhaps for  
the first time a figure  
who all too often is  
known to the world but  
known in minimalist  
flatness merely as a  
symbol of overing  
disability nielsen  
shows us that there is  
so much more to keller a  
political activist'

'the politics of helen  
keller international  
socialist review

June 1st, 2020 - helen  
keller is one of the  
most widely recognized  
figures in us history  
that people actually  
know very little about  
that she was a serious  
political thinker who  
made important  
contributions in the  
fields of socialist  
theory and practice or  
that she was a pioneer  
in pointing the way  
toward a marxist  
understanding of  
disability oppression  
and liberation this  
reality has been  
overlooked and'
