necessity limited  
but maybe also  
rather surprising  
you get a zebra a  
leopard an alpaca a  
red panda and a  
tiger three of the  
big beasts and a  
couple of less mon  
ones it does  
however provide a  
good variety of  
structure and of  
hair and fur types  
which is a plus  
point in a book of  
this kind''
