**trace lift and learn by scholastic inc kirkus
reviews**

October 1st, 2019 - the opening pages present the

entire uppercase alphabet as die cut shapes with dotted arrows directing readers to trace the letters with their fingers the next several pages treat each letter individually repeating the tracing steps for lowercase letters each letter is accompanied by a photograph of an object that begins with that letter and some include flaps for readers to lift"scholastic page 9 nahdet misr publishing group
