**'customer reviews stone  
sampler second edition**

*April 28th, 2020 - the  
book is good the cd with  
real image on each type of  
stone is very good for me  
in selecting the stone in  
different design however  
it will better is the  
image is larger you know  
the stone pattern is vary  
from this corner to that  
corner larger view will  
help much in identify the  
characteristics of each  
type of stone'*
