'The Tutankhamun Affair by Christian Jacq Goodreads

April 28th, 2020 - A translation can easily detract from

the feel of a novel and there were a few times in this

book where I paused thrown by a word choice or

sentence structure I maintain that the translation style

of Mary Feeney in Jacq's Ramses series was superior

despite a few anachronistic idioms here and there but

The Tutankhamun Affair read well overall'
