Enter your mobile number or email address below and we'll send you a link to download the free Kindle app. Then you can start reading Kindle books on your smartphone, tablet, or PC. No Kindle device required. History of Women in the United Kingdom

June 7th, 2020 - Medieval England was a patriarchal society and the lives of women were heavily influenced by contemporary beliefs about gender and authority. However, the position of women varied according to factors including their social class. Whether they were unmarried, married, widowed, or remarried, and in which part of the country they lived, Henrietta Leyser argues that women had much informal power.'
