'railsea by china miéville goodreads

May 22nd, 2020 - this month's book recommendation: *Railsea* by China Miéville. Here is a truly original writer, someone who takes sentences and reinvents them. I love how he says things you have to focus on because if you don't pay attention, you will miss what he is getting at. But this is mostly YA fiction, a retelling of *Moby-Dick*, and it is a resounding success!

'children's book review: *Railsea* by China Miéville (Del Rey)

'Railsea' audiobook by China Miéville (Audible)

May 10th, 2020 - *Railsea* is a steampunk retelling of *Moby-Dick* which constantly mocks its source material. In the Railsea world, every train captain is missing at least one limb and has a philosophy that one animal they're trying to track down is destined in conjunction with a whiny, unlikeable main character. Put me off the book early on!
