why rich countries are rich and poor countries poor
June 4th, 2020 - there are 196 countries in the world
25 of them are very rich defined as having an average
wealth per person of over 100 000 a year but far more
countries are quite poor and some are very very poor
some facts in the 20 poorest countries of the world the
per capita wealth is under a 1 000 a year or under
three dollars a day every country is on a path to
growth'
