neil postman on the disappearance of childhood

June 3rd, 2020 - in perhaps his most provocative book the disappearance of childhood postman attempts to explain why the dividing line between childhood and adulthood is rapidly eroding in contemporary society and why the social role of the child may well disappear in modern industrial society his contribution to this topic he points out is not in documenting this erosion many observers have remarked upon the disappearance in the past" *the disappearance of childhood neil postman google books*
