**propositional it is about asking questions concerning the meaning of human habitation what it means to live in built environs and about evaluating plans and design projects where human flourishing and social progress can best occur in what kinds of buildings interior"the role of architecture in humanity s story thought**

**May 27th, 2020 - throughout time architecture has persisted as one of the most profoundly important reflections of culture whether we consider monumental structures such as the roman coliseum notre dame and taj mahal or modern icons such as the empire state building sydney opera house or guggenheim museum we see each building reflecting the story of the time and how that iteration of culture wished to'**

**'information architecture the most important part of**

**May 25th, 2020 - good information architecture is universal and timeless over time we see that good information architecture is universal certain principles and patterns seem to always prevail perhaps most obviously the items in the top most navigation of your app should be the most important things' embracing impermanence why some architecture should be**

**May 31st, 2020 - it s time to rethink temporary in the last few years the opposite may be true architectural billings are at an all time low major missions are few and far between so why should architecture be so static the idea that perhaps all buildings**

---

---

**shouldn't aspire to permanence  
represents a huge shift for  
architecture'**

*'what's it like to study architecture the  
independent*

*May 31st, 2020 - the power of  
architecture is immense and thus the  
process of harnessing it is not easy and  
nor should it be it is a challenge but a  
hugely rewarding one for society and  
for yourself more about"***time for play  
actar publishers**

May 23rd, 2020 - why architecture  
should take happiness seriously azc  
atelier zündel cristeo over the last 15  
years azc's architectural work has  
developed through a diverse range of  
experiences this book time for play  
presents exhibition pavilions temporary  
installations and ideas petitions a mix of  
built and un built projects'

*'7 reasons you should take an  
internship undercover recruiter*

*May 29th, 2020 - people sometimes be  
a bit dubious when deciding whether or  
not to take an internship often when  
freshly graduating you lack enough  
experience to get a full time permanent  
job so internships apprenticeships and  
work experience are your only options  
however we need to stop looking at  
these negatively and think of everything  
we can gain from internships and work  
placements'*

improving customer experience**

May 23rd, 2020 - in a number of  
organizations enterprise architecture ea  
teams have been asked by the cio to take  
the lead on some key activities to ensure  
that technology systems support a low  
effort high quality customer experience  
ea teams have a number of attributes  
that make them well positioned to get  
involved in improving customer  
experience"

**why architecture is  
important study architecture**

May 31st, 2020 - architecture is  
futurism and each time it offers a  
critique that suggests new ways to live  
work or play it bees a feat of world  
building that makes it hard to  
distinguish from science fiction and that  
s quickly moving on from being a  
privilege to being mandatory given that  
buildings and the built environment are  
the single largest source of carbon  
emissions driving catastrophic'
