## el loco

May 22nd, 2020 - el loco is the seventh studio album by the american rock band zz top released in 1981 the title means the crazy one in spanish the band s guitarist singer billy gibbons has said that the recording of this album was the first time the three members of the band were isolated from one another in the studio rather than recording simultaneously in the same room'

## 'el loco by zz top 603497856190 vinyl lp barnes amp noble

May 23rd, 2020 - el loco follows through on the streamlined jet engine boogie rock of degüello but kicking all the ingredients up a notch that means that the grooves are getting a little slicker while the jokes are getting a little sillier a little raunchier the double entendres on tube snake boogie and pearl necklace are barely disguised while much of the record plays as flat out goofy party rock'
