'1940s fabrics and
colors in fashion
vintagedancer

June 7th, 2020 - the
1940s was unique in that
it brought a diverse

selection of women's
fabrics and patterns to
the mainstream because
of this it can be
difficult to distinguish
what is a 1940s print
pared to a print from

another decade simply
because there were so
many designs styles and
colors'

*'courtaulds textile
design archive rehoused
v amp a blog*

May 25th, 2020 - in 1939
it began the production
of nylon yarn and by
1940 was one of the
world's largest textile
concerns it still
survives as a textile

pany though greatly
reduced from its heyday
the archive has many
textile design books
from the courtaulds
factories that primarily
date to the 20th

century' '1920s amp 30s
art deco artists and

June 7th, 2020 - art
deco artists amp
designers the art deco
period produced some

truly inspired artists
and designers here we
provide an index of art
deco artists and
architectural and
decorative arts
designers that typify

the art deco style
various art deco artists
have grown in popularity
over the past few years
and none more so than
the decorative arts
designers like clarice

cliff and susie
cooper' '**fashion history**
women s clothing in the
1940s bellatory

June 5th, 2020 - some
saw doir s new look as a
means to increase the

profits of the textile
manufacturers who backed
the famous clothing
designer yet dior s new
silhouette was not
without some approval
sick of the privations

and restrictions of war
many women found the
flowing feminine style
to be very appealing and
the new look eventually
won out to influence
women s fashion well

into the next decade'
