**Economics and Ideology ? Crooked Timber
November 14th, 2006 - It's been my multi anecdotal
experience that even one econ class can move a
relatively apolitical person significantly to the right
I've been trying to get a grip on economics for some
time'**

'Social loafing Wikipedia

May 1st, 2018 - In social psychology social loafing is the phenomenon of a person exerting less effort to achieve a goal when they work in a group than when they work alone This is seen as one of the main reasons groups are sometimes less productive than the combined performance of their members working as individuals but should be distinguished from the 'Social Psychology Textbooks
