the writer as migrant ha jin
plete review

April 27th, 2020 - the writer
as migrant collects ha jin s
three campbell lectures held
at rice university in 2006

both an exile and immigrant
ha jin left china as an adult
and settled in the united
states where he has been an
english writing author ha
jin doesn't delve deep into
his own experience but he
does mention it and it
obviously colors much of
what he writes here'
