May 13th, 2020 - when jazzie b and his
bristol crew released this debut which was
called keep on movin in the u s after its first
hit in 1989 at the height of twice a second
dance beats it was a landmark event in the
club music scene they slowed down their
rhythms and brought in subtle soulful vocals
mostly from caron wheeler more intriguingly
they structured the disc like a club dj set'

June 2nd, 2020 - for many soul music lovers

the golden age of soul music was in the 1970s it was a decade of political turmoil around the world but also one of incredible creativity as artists took control of their careers and addressed both social issues and issues of the heart in new ways and what incredible music resulted over the course of several weeks thousands of soultrackers' **'50 cover songs better than the originals paste**
