'mode music

May 24th, 2020 - Modes and Scales. A musical scale is a series of pitches in a distinct order. The concept of mode in Western music theory has three successive stages: in Gregorian chant theory, in Renaissance polyphonic theory, and in tonal harmonic music of the modern practice period. In all three contexts, mode incorporates the idea of the diatonic scale but differs from it by also involving an **'music structures traditional arabic music**

April 10th, 2020 - *For this reason, maqam scales are mostly taught orally and by extensive listening to the traditional Arabic music repertoire. Notation, since microtonal intervals are impractical to accurately notate, a simplified musical notation system was adopted in Arabic music at the turn of the 20th century.*

'oud cafe makam basics

April 7th, 2020 - The basic note intervals or scale of a makam are usually broken up into two pieces: a pentachord and a tetrachord, or vice versa. It is important to note, however, that a makam's scale is usually not just an octave of notes but contains important notes below and above the basic octave.'
