**'none lighthouses as religious symbols**

*April 14th, 2020 - lighthouses have a spiritual quality about them they seem to stand watch at crossroads literally between the land and sea but figuratively at the gateway between reality and imagination i credit this metaphoric margin with the prevalence of ghost stories at lighthouses so many that hardly a lighthouse stands without some haunted tale attached to it sometimes outshining the light itself"***photo essay lighthouses of the world struxtravel**

**May 22nd, 2020 - since ancient times lighthouses have offered protection their glowing lenses providing a guiding light to the weary traveler they meant a safe haven from the tumultuous sea a warning of dangerous rocks or reefs and after a long voyage the first sight of a lighthouse gave hope and relief that home'**
