**'book review darwin and the
barnacle by rebecca stott**

June 2nd, 2020 - rebecca stott s book
however places darwin s barnacle
work in context skirts round the more
technical stuff and turns out to be
surprisingly enjoyable one aspect of
this book i had mixed feeling about is
stott s occasional literary descriptions
of darwin s actions and thoughts they
read more like a novel than a non
fiction book'
