80s songs featuring saxophone

June 5th, 2020 - perhaps the saxophone's most atypical and fascinating appearance in 80s music takes place on this famous track from Lee Ving's often controversial punk rock band from LA. The title's reference to the instrument in question certainly seems to carry more than a little disdain but the fact that a post modern frenzied sax solo

**takes up so much space
within the song adds an
