'official annihilation score discussion thread  
spoilers

January 24th, 2020 - i don t think cs phoned it  
in i feel the superhero plot itself is what was  
the most detracting aspect of this book my  
favorite parts of the laundry files are when we  
get plausible explanations for the impossible  
whereas here the impossible is the cause of the  
implausible that is my problem with this book  
itself'

regarded science fiction writers of his time in the apocalypse codex occasionally hapless british agent bob howard tackles a case involving an american televangelist and a supernatural threat of global proportions'

'the annihilation score is virtually the same book as

January 25th, 2020 - in terms of broad arcs i can see where you re ing from however i think the rest of the two books are rather different something i really love about the series is the way that as time passes things change significantly and the whole superheroes thing in the annihilation score as well as the different main character made the feel of the two books different'
