games without rules the often interrupted history of  
May 23rd, 2020 - the often interrupted history of afghanistan often  
interrupted by the writer with very unnecessary contents such as stories  
of his family his story his grandmother his uncle who never practised  
dentistry such stories used to sound wonderful when i was a kid but when  
the title clearly states interrupted history of afghanistan i was honestly  
expecting the read about the history of the interruptions but as i said  
earlier the writer interrupts it himself'
