### get on your boots

May 17th, 2020 - get on your boots is a song by irish rock band u2 and the sixth track from their 2009 album no line on the horizon the song was released as the album s lead single on 19 january 2009 the physical format was released on 14 february the video received its premiere on 6 february 2009 the lyrical delivery of the song s verses has been said to resemble bob dylan s subterranean homesick blues"**get yer boots on the best of slade slade songs**

May 24th, 2020 - so all 16 tracks on get yer boots on are also on the 20 track wall of hits and pretty much in the same order to boot but that s fine because not only is the shout factory release easier to find it could be argued that the shorter running time results in a tighter harder rocking listen particularly since it focuses on the group s mid 70s peak with none of the 90s tracks'
