May 14th, 2020 - the land of laughs is considered
a fantasy but most of the book has almost nothing
fantastical about it it could also very easily be
described as a horror at least just as much as it
can be considered fantasy because there were some
truly spine tingling scenes toward the end that
are worth the read alone'

'the land of laughs literature tv tropes
May 24th, 2020 - the land of laughs is a bizarre
fantasy novel by jonathan carroll as far from
standard fantasy setting as possible no dragons

but a lot of white bull terriers has subtle but powerful elements of horror but also magic realism if not for its numerous and not playful genre elements its metafictionality could tempt someone to pigeon hole it as an example of

postmodernism'
