'defending the legacy review of montcalm s crushing blow

April 23rd, 2020 - the cover of montcalm s crushing blow canadian author rene chartrand begins by covering the situation on lake ontario when fort oswego was originally built by the english to trade with the indians but the french did not intend to let the british establish themselves there and built other trading posts forts in the vicinity like fort toronto' 'galloping major wargames wargames rules amp books

June 5th, 2020 - wargames rules amp books for sale a little bit about the wargames rules we ve chosen to offer so far and the sorts of reference and period background books that we think will be

useful to both the long term enthusiast and the newer to the french amp indian war period montcalm s crushing blow french and indian raids along new york s'

'montcalm s crushing blow french and indian raids along

June 2nd, 2020 - the oswego raid was an outstanding french success it denied the british a presence on lake ontario for the next two years and relieved british pressure on fort frontenac it demonstrated that the use of traditional european siege tactics in an american setting could reap great rewards and had a great influence on the french s indian allies too'
