***what the arrowverse can learn
from legends of tomorrow s***

*May 23rd, 2020 - it helps that
the legends of tomorrow
writers utilize ava s time
bureau job as a means to give
ava a story of her own while
also still keeping it
connected to sara s adventures
with the legends this allows
ava and sara to share screen
time during the superhero
aspect of the series without
it feeling like ava is only
there as sara s romantic
partner'*
