springerlink**

April 27th, 2020 - abstract modern
approach distinguishes between mood
which is the long lasting internal
emotional tone and largely
characteristic of the individual affect
which is the general emotional status
during the last few days or weeks and
it is observable through the individual
s behaviour and emotion which
corresponds to the transient emotional
state which also manifests itself'

'**bipolar disorders mixed states rapid
cycling and**

May 9th, 2020 - bipolar disorders mixed

states rapid cycling and atypical forms
bipolar disorder manifests itself in a
variety of forms it can coexist with
other psychiatric conditions and
treatment efficacy can depend on the
type of bipolar state'
