Hi It is really  
hard to give a good  
advice without  
seeing the car 500K  
km is a lot of km  
and you will have  
to do some  
maintenance work on  
it Try to find out  
what would be the  
price of the major  
components in your  
country the engine  
transmission  
transfer and by  
that try to  
calculate the risk'
