movement in europe**

May 27th, 2020 - the women s liberation  
movement in europe was a radical  
feminist movement that started in the  
late 1960s and continued through the  
1970s and in some cases into the early  
1980s inspired by developments in north  
america and triggered by the growing  
presence of women in the labour market  
the movement soon gained momentum in  
britain and the scandinavian  
countries' **'married women who love women
