'essence a runes novella by ednah walters

April 15th, 2020 - this novella is a short but sweet supplement
to the runes series it takes place during the events of book 4
seeress but it will spoil some surprises if read before book 6
witches spoiler alert this story helped fill in the blanks as to
when torin and raine s memories were erased by the norms as their
first time was not after the wedding'

'the joanne harris website runemarks about the book

May 1st, 2020 - runemarks goes back a long long way my first full
length try at a novel was a sprawling 1000 page monster with
illustrations called witchlight written when i was nineteen and
rejected by every publisher i sent it to on account of its length
its plexity and the darkness of its imagery in many ways
witchlight was the prototype of runemarks it was set in the same
place the valley of''seeress runes 0191091244852 ednah walters
